The "HIGH VOLTAGE SWITCHES"

BIOGRAPHY

BMJE THE “HIGH VOLTAGE SWITCHES”

The establishment pick of success was compared to the buds of flower until its blossom. The origin of its own is **BMJE ENTERPRISES** and **BMJE ELECTRICAL AND INDUSTRIAL SALES** last May 1998. For how many years of vast experience in the fabrication, contracting, installing and supplying, and with the success of its venture **BMJE Marketing and Electrical Services Incorporated** was established last October 2002. The purpose of existence is for responding the growing demands of local market. **BMJEMESI** keeps abreast in the latest technology through constant improvement and updating and continues training of its sales force and engineers. And, with our personalized customer services, clients who needs assistance in the selection and specification of custom – designed power systems and factory automation need not worry as our highly – trained engineers will be more than happy to attend to all their requirements.

Furthermore, our services does not end with the delivery of our products. We have established very strong after sales support to help our customer in installation, testing commissioning & maintenance of their electrical equipment.

BMJE MESI is composed currently of 20 people handling Sales and Marketing, Field Service, Assembly, Engineering and Administration.
